

Putting the "Man" in Ger-man-y!

Why are we there?

To secure—by occupa-
tion of Germany's choicest territory—the
fulfilment of a just and lasting peace.

The "Victory" Liberty Loan

Allows every man, woman and child in
New England to have a proud part in
the moral regeneration of world politics.

We cannot be safe in a world of neighbors
whose ideals are based upon a longing
for cruel conquest of person and property.

True Thrift

Compels us to use our wealth in self-imposed discipline, employing it in productive ways
for a future gain instead of a present gratification.
